Deliverable 3: Quick Start Guide

1

The first step for any new project or task is to familiarize yourself with the task and understand the ask. This is also when you will form a team to assist with completion of deliverables.

- Read the Deliverable 3 Guidance Document.
- Form the Deliverable 3 Team and complete the Deliverable 3 Team Form (**Deliverable #3A**).

2

The Deliverable 3 Team will work collaboratively to complete the Selecting an Intervention and Creating an Action Plan form (**Deliverable #3B**).

3

The Deliverable 3 Team will work collaboratively to complete Budget and Budget Narrative (**Deliverable #3C**).

4

Once you have completed the previous steps, it's time for the Deliverable 3 Team to reflect on the overall process, what was learned, what questions remain, and how the campus-community partnership will use this information

- Complete the Constructing an Action Plan Reflection Form (**Deliverable #3D**).

5

Highly Suggested: The Deliverable 3 Team will complete the Peer Conference form (**Deliverable #3E**).

6

Please submit all parts of Deliverable 3 via email to Julie Cameron (julie@prevention-first.org) and Laura Balis (lbalis@pire.org) by **5:00pm on January 14, 2022**.
